

FISCAL NOTE

SB 728

February 12, 1997

SUMMARY OF BILL: Allows the Shelby County Board of Equalization one employee for each 50,000 tax parcels in the county. Shelby County had 332,458 parcels on record in 1995.

ESTIMATED FISCAL IMPACT:

MINIMAL

This bill would allow the Shelby County Board of Equalization seven employees. Since there are currently eight employees, and it is assumed that it is not the intent of the bill to reduce the staffing level of the Board, there is a minimal fiscal impact from the implementation of this bill.
